

Boarding Update Term Two, Week Ten

HEREWORTH
DESIGNED FOR BOYS

Dear Parents,

This is the last boarder's newsletter for Term Two so I hope you will enjoy it.

Last Friday the school dance for Year 7 and 8 boys was held in the Hereworth School Hall. It was really cool and the girls were beautiful. The hall was magnificent too. When we walked into the hall we were just blown away by the decorations. On the side of one of the walls of the hall, a huge sign said "Herewood". There were balloons everywhere on the ceiling and at the entrance to the hall there was a long red carpet. When the boys escorted the girls into the hall, a photographer, (Mrs. Watson, Dali's Mum) took their photos on the red carpet. This was all to do with Hollywood. Everyone had a great night dancing and William Gunson won the prize for the best dancer. He won a large box of chocolates!! Thank you to the parents who spent a lot of time decorating the hall.

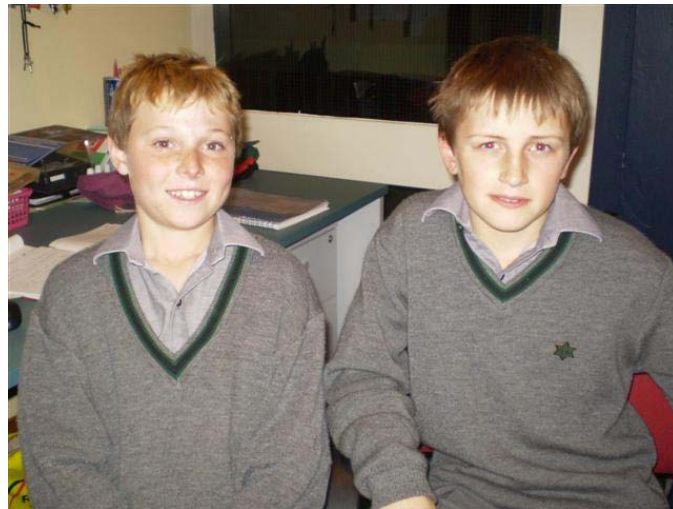

Last weekend the full time boarders went to McDonalds for breakfast for a treat. It was really fun and the burgers were delicious. The only bad thing was that we were not allowed to get a coke or a soft drink. We were only allowed to get a hot chocolate, but it was still very delicious. It was a surprise to find out that we were going to McDonalds. We thought Matron said that we would have to go to the dining room in the mini bus because it was raining. We did wonder why Matron had her coat on and why we had to put on our seat belts!!

Today Mr. Chatfield took Shamus for a run up the peak. Shamus thought it was really great. He needed to do some training for the North Island cross country champs which are two weeks time. I think that Shamus is going to go really well.

The latest pastime for some of the boarders and the occasional day boy is woodcarving. Mr Bernstone, our caretaker, who is a very good carver has been teaching some of the Year 8 boys how to carve from pieces of totara. They have been doing this for about five weeks now and some really nice pieces have been made. I know that they are having a lot of fun learning to carve and the pastime has spread widely through the school. I hope that maybe I could make a carving as well.

We are all really looking forward to the holidays. I know that the boarders will definitely be looking forward to going home for three weeks but first some of us are going to the Rugby match in Napier tomorrow night. It is the Maori team v England, and it will be a close game.

Tonight's newsletter written by Quin Black and Max Crosse, (on behalf of the boarders.)
