

HEREWORTH
DESIGNED FOR BOYS

Boarding Update Term Two: Week 4

Dear Parents,

I am sure that all the boys had a great exeat last weekend, especially Jun. Jun was invited to spend the weekend with Max Crosse where he had a great time. Max and Jun showed Max's parents how to dance some of the dances they have been learning during the week at school. Lately all the Year 7 and 8 boys have been having dancing lessons in the hall to learn all the dances they will be doing at the Hereworth school dance, which is coming up in two weeks time. They are learning the Gay Gordon, the Samba, the Sir Roger de Coverley and others.

Jun and Max also went feeding out on the farm and Max had to drive. SCARY!!! Jun had a great time.

On Tuesday the Hereworth 1st XV played a St John's College XV at St John's. William Gunson got left behind at first but after some confusion he was picked up by Mr Scott and arrived in time to play the game. Hereworth won 37-0. The 1st XI hockey played Lindisfarne at Park Island tonight, Keegan Merwood and Glen Chesterman got the Guts Cup and we won 11-0.

It is study week this week to get ready for exams which start next Monday. However we are to have a fun day this Friday as it is mufti day. The theme this time is "Wear a uniform" and already there are some "interesting" uniforms being planned. We will watch out for Toby Twigg and hopefully have a photograph in the next newsletter.

The Year 8 boys have been busy making their own boxer shorts in soft material classes over the past few weeks and so far several new and unique pairs have been starting to

appear for wearing as PJ's. The boys are very proud to be wearing something which they have made themselves.
