

HEREWORTH
DESIGNED FOR BOYS

Boarding Update: Term One: # 7

Dear Parents,

The winter seems to be here at last and after the holidays we will be wearing our winter uniforms. Mornings are getting noticeably cooler and the heaters have been turned on again, making the dorms lovely and warm, which the cat of course loves.

However there is still enough sun and warmth to do a bit of prep outside after school.

Last weekend the full boarders had an “in weekend” which means they didn’t have an outing, so they played on their bikes, scooters and had a great time.

Today we had “T-shirt day” to raise money for David Togo, the child we sponsor in Mali. Boys wore their favourite T-shirts, and some boys spiked up their hair. As always the boys enjoy wearing mufti for a change, although it was back into uniform to go on “town leave”, and the hairstyles were flattened down.

Last weekend a team from Hereworth competed in the Triple Peaks run. The only boarder was Callum Hobbs-Turner who teamed with three day boys, Michael Parsons, Tom Mackintosh and Geordie Beamish. These boys were 1st to cross the finishing line in the Mens Open Relay with a time of 4 hours, 33 minutes- 46 minutes faster than last year. A great effort.

This week the boarder guitarists have taken over the uninhabited Dorm 8 as a practice room. All sorts of things have been planned by these musicians, including some sort of band!!!!

Boarder of the Week this week is Daniel Stephens for being very supportive to others and also a very helpful boarder.

We have also noted that one of our Hereworth Old Boys has been appointed Head Prefect of Napier Boys High. Richard Doole, who comes from Wairoa.

This weeks news by Jason Liddell and Tim Ellis (on behalf of the boarders)
