

## Boarding Update Term Three: Week 7

**HEREWORTH**  
DESIGNED FOR BOYS

Dear Parents,

This week's news is coming to you with Toby Twigg and Ben Petersen. Because we did not have a news letter last week we shall have a 2 in1 this week.

The spring weather seems to have arrived so more time can be spent outside playing after sport is over.

Last Monday the 1<sup>st</sup> XV played Medbury School from Christchurch. It was a very tough game with some minor injuries to both teams. The 1<sup>st</sup> XV however managed to fight it out to the end winning 12 - 7.

Over the past few weeks rugby boys have been trialing for Ross Shield and Wakely Shield. Duncan McCormick and Thor Crombie have made the final 22 for the Ross Shield and William Gunson and Toby Twigg have made the final 27 for Wakely Shield. Congratulations. Toby also won the Hereworth Boarder of the Week Kiwi.

Our boarding numbers have increased this week with four day boys boarding over and a few more will no doubt be staying in soon, for the week of the school production ,” Levi and Charlie and the Wild Bunch”.

Play practices have been getting busier and busier over the last week. We have had some costume fittings and the boys are loving getting dressed up as girls!! and wild west characters. The dancers have also been busy practicing the steps of the can can.

Last Friday was” Crime Scene Friday”. The Juniors who have been studying “crime” were allowed to dress in mufti. Several dressed as policemen. We were put into house groups and were sent to find out who had “stolen” the French flag. The boys had to match the fingerprints and footprints. In the end it was Mr. Scott and Mrs. Cameron who were the culprits. The boys all enjoyed themselves very much and we all helped the Juniors.

Mr. McCorkell being questioned on the crime... Maybe Ethan knows who did it!!

Mr Jensen and Mr Exeter have their turn.

Will lending a helping hand.

This week's newsletter was written by Ben and Toby (a couple of Wild West characters).
