

Boarding Update Term Four: Week 6

HEREWORTH
DESIGNED FOR BOYS

Dear Parents,

This weekend the second group of boys from outside the school, will be joining us to take part in the new “boarding experience”. This time there will be six boys from Wairoa, Central Hawke’s Bay and Napier, so we hope they have lots of fun “sleeping over” with their friends in the boarding house. While they are here they will do exactly as we do, and see what it is like to be a boarder at Hereworth.

On another note a select group of boarders have been routinely attending squash in the village of Havelock North on Friday nights. This is held at the Havelock North Squash courts at Anderson Park where we are driven and picked up by Mr Martens. Many boys were really keen to join this group which lets us meet children from other schools and to try a new sport which we really enjoy.

Today the boys enjoyed a dress up mufti day themed with the letter H. Head to Heel. There were quite a few hunchbacks, lots of hippies, “homeless”, hobos, and Edwin was at home in his “home clothes”.

Can Edwin really have feet this big!!!

William, Toby and Guy look as hippies.

Athletics day last Friday was a success with young Edwin Laver setting the new record for high jump and winning the athletics trophy.

Max giving everything

Lining up for the 1500m

Callum easily won the 1500m, closely followed by Shamus.

Mr Chatfield and his Year 7's garden is taking shape. The garden beds have been formed after a lot of hard work digging by Mr Chatfield, and the weed matting has been put down. Now they are waiting for the load of dirt to arrive to fill the beds before planting can be done.

This week's news by Tim Ellis, and Ben Cobham (on behalf of the boarders)
