

Boarding Update Term Three: Week 8

HEREWORTH
DESIGNED FOR BOYS

Dear Parents,

In the newsletter this week we have news about, the Interschool Cross Country, the boarder's huts in Scout's Gully, the Huntley teams visit, Old Boys' Day and the Wanganui "Around the Lake" relay.

The Huntley Junior teams arrived on Thursday where they played the two junior soccer teams, the rugby and the hockey team. We won all the games.

On Saturday was the turn of the 1st and 2nd XV with Hereworth taking the win. This was also Old Boys' Day and there were several 'Old Boys' on the sideline watching the rugby games.

This Tuesday the boarders went to Scout's Gully and started building huts. They were very creative with old wood and nails which they managed to talk the groundsman into giving up. This should be a great activity now that the weather is getting warmer.

Mr Scott took several boys to Wanganui yesterday to compete in the Wanganui "Around the Lake" relay. We did really well coming 1st and 3rd. The winning team were Team A who won comfortably:

Charlie Devonshire, Callum Hobbs- Turner, Shamus Christison and Geordie Beamish. Team B who came third were, Timothy McLanachan, Micheal Parsons, Hamish Armstrong, and Tom Mackintosh. Well done to these boys.

The Interschool Cross-Country was held today at the Hastings Showgrounds, and once again won by Callum Hobbs- Turner in the Year 8 grade. Shamus Christison came second for Year 7's and Tate Harte was 4th.

The production is well under way with opening night not far away. We are practicing in every spare minute and even in prep. Mr Chatfield and his ukulele group are getting ready to entertain on the night.

The 1st XV ukulele group.
