

Boarding Update Term Three: Week 5

HEREWORTH
DESIGNED FOR BOYS

Dear Parents,

We started the week off with a blast putting the saying “Designed for boys” into practice. On Monday after school we ventured down Scouts-Gully with Mrs. Kinloch-Jones to have some fun in the mud and water that the recent wet weather had given us. We played “go-home-stay-home” and did a creek run with some of us swimming up the creek. I am sure all the boys enjoyed it. After that the locker room was swimming with wet clothes and wet stinky shoes. I had the best job!!! (Jasper) sorting out all the smelly clothes---for Matron to wash. Hot showers were very welcome after that and then we were off to dinner to one of our cook, Margaret’s specials---- a meal of steak, roast potatoes, mushrooms and broccoli, cauliflower and carrots, with trifle to finish off.

The boys and Mrs KJ.

Toby Twigg.

Duncan and Quin

At the moment the boys are packing for their trip away to St. George's in Wanganui, for rugby, soccer and hockey games (good luck to them).

Thomas and Duncan packing for St. George's.

We have recently had an exchange with Southwell from Hamilton beating them in all the sports.

Several boys from the choir are taking part in the “Kids Sing” competition tomorrow. Good luck to them too.
