

Boarding Update Term Three, Week Three

HEREWORTH
DESIGNED FOR BOYS

Dear Parents,

This term we have been a little slow in getting the newsletter up and running again but now that the Australian tour is over, things are returning to normal again.

This week two new tutors arrived to replace Miss McCarthy and Mr Martens. Their names are Mr. Boyle and Mr Marffy. They are both from England. They are just settling in but when Mr Boyle had only been here for one day ,he already knew most of the boarders by name.

Tonight the boys from Dorm 4 last term, who won the dorm competition have gone out with Mr Scrymgeour for a McDonalds meal and then on to see a movie. Mr Marffy and Mr Boyle went along as well.

Rupert taking Roark to the Dental Clinic.

This week it is dental check up time again and groups of boys have been walking over to the Intermediate Dental

Clinic. By the end of the week everyone in the whole school will have had their turn. The older boys have been helping out , looking after the little ones on the walk over.

William, Morgan, Rupert, Roark and Hamish leave.

The Australian Sports tour went very well, with good results.

The boys arrived back at school safe but very tired. There were a lot of stories to be told. All of the boys had really nice families billeting them and were looked after very well. On the tour we also went to lots of places as a Hereworth School group. Questicon, The Australian War Memorial in Canberra, Australian Institute of Sport, the zoo in Canberra, The Olympic pool in Sydney, and The Sir Donald Bradman Museum were some of them.

Hereworth School Haka at the Australian War Memorial in Canberra

On our free day we were lucky enough to be able to spend time with our parents, and go to other places in Sydney. Some of us went to the zoo by ferry, the Sydney Harbour Bridge and Opera House, Luna Park or shopping at Paddy's market.

This week's news by Tate Harte and Cambell Stephens.
