

## Boarding Update Term Four: Week 9

HEREWORTH  
DESIGNED FOR BOYS

Dear Parents,

Today we had the leavers race, William Harker came 1<sup>st</sup>, Tobie Birchall came 2<sup>nd</sup>, Campbell Roadley came 3<sup>rd</sup> and Ben Cobham came 4<sup>th</sup>.

The weetbix was hard to deal with but we managed--- somehow.

Edwin, Jordie  
and Levi.

Next was the balloon blowing and popping which was hard for some boys but easy for others.

After swimming, finding our shorts and shoes, jumping the hurdles and running through Scout's Gully we were onto the sack jumping.

Willie on his way to the finish line...

Followed by Ben and Campbell

Jasper searching for a sweet  
The flour was REAL NICE.

This week we have to deal to the dayboys in cricket, we have to be on top of our game, but we can do it.

We are also having our Christmas lunch tomorrow and the "Leavers Dinner" on Friday. We are looking forward to both of these meals. Yum yum.

Thomas Koko is back in the boarding house with us after his little accident e.g. snapping his arm when mountain biking!!!! In Scout's Gully. Ouch.

Today we had the performing assembly. Some boys from Lindisfarne College came and played some pieces on the ukelele which was very entertaining.

We are all looking forward to end of the year and for some boys the end of their time at Hereworth School.

This is the last newsletter for 2009 written on behalf of the boarders by Campbell Roadley (Boarding Prefect) and Willie Harker (honorary boarder)
