

HEREWORTH  
DESIGNED FOR BOYS

# NEWSLETTER SEPTEMBER 2011

Dear Parents, Caregivers and Friends,  
 Our School Cross Country ('Sandy Lane') was a marvellous way to finish a very busy term. All boys, whether distance running was 'their thing' or not, gave their very best in their respective events - and we can't ask anymore than this! The regional titles keep coming, with the Year 8 chess team winning the Hawke's Bay Schools Teams Championships for the second year in a row. This earned the team a trip to Mt Maunganui to represent the region at the National Schools Championship. I will take this opportunity to wish you all the very best for the term break and hopefully when we return to school, it will be with the knowledge the All Blacks are the World Rugby Cup winners – Go the Mighty AB's!!

## PRESENTATIONS ON EDUCATING BOYS

	9	Hastings (Venue tba)
	10	Taradale (Taradale Club)
	14	Napier (Napier Club)
	15	Havelock North (Founders' Room, Hereworth School)
	16	Wairoa (Wairoa Club)

## FOUNDERS' DAY - FRIDAY SEPTEMBER 2<sup>ND</sup> 2011

It was fantastic to see a small yet enthusiastic crowd at Founders' Day this year. The evening began with the Les Jouve Choriste singing beautifully. Samuel Gibson and Louis Daysh our two Year 8 orators gave entertaining speeches on how being a student at Hereworth will help put them in good stead for their futures. Many thanks to Hamish Whyte our Guest Speaker, Hamish gave a very interesting and informative address that was thoroughly enjoyed by everyone. Board Chairman, Tom Hamilton and Foundation Development Manager, Linda Calder outlined the aims of the Foundation going forward and the importance of re-connecting with Old Boys, past parents and supporters of the school. We are thrilled the Foundation has been officially launched.

It would be wonderful to see more numbers attend Founders' Day in the future as it is a day to celebrate the past, the present and the future of Hereworth and everyone is always welcome.

## HEREWORTH NEXT TOP MODEL - BOXER SHORTS

The year had whizzed around and it was time to show off those boxers that our Year 8 students had made during their Soft Materials tech strand. Our 'Hereworth's Next Top Model and Best Boxer Shorts' show was held this term with a hall full of parents, staff and school all cheering the boys on. The spirit of participation was fantastic with all our Year 8 boys entering in with good humour and pride. We have almost evolved into something of a 'wearable art' show, with the originality and creativity of many of the themes boys put together. Overall, this year's Year 8 boys had put in a huge effort and workmanship was at a level of excellence. We had pockets, patches, ties, hems, piping, and strips being added on to make a point of difference. Some boys who had time, make chefs aprons, slippers, ipod covers, and more beanies. This was all on display as the boys strutted down the 'runway', assisted by energetic beats on the sound system, two great comperes and two very capable judges. Mrs Marshall and Mr Exeter made some excellent choices when the finalists were all lined up, and then the final call was made for our two winners. The 'Best Boxer Shorts' award went to Max Nimon, and 'Best Personality' went to Hamish Woods who sported all things pink ( a Paris Hilton inspiration) and had the cutest accessory ever - his Cavoodle in his large and comfortable handbag. These two were crowd favourites although there was keen competition. A great celebration boys! And big thanks to Matron Jenny who also helps out in the Sewing dept when she can. Anjela Webster

## SCHOOL DANCE

Two accounts from boys who attended the school dance at Hereworth on Friday 23rd September.

### **The School Dance**

There I was standing in The Founders' Room when suddenly I heard, "right, you four, go out now and greet the girls"

My heart stopped, my breath was caught in my throat as I stumbled out the door.

The car pulled up, I was nervous and I was the only one there. I opened the door cautiously. As I helped her out I saw how lovely she looked and said "hello, my name is Dali." We walked together over into the hall which had been decorated with the theme of the rugby world cup. It looked amazing!

The dancing was really enjoyable but by the time we had supper I was staaaaaarving!!! I didn't want to look greedy so I only had seconds! After the last two dances I was feeling quite tired as I waited for my parents to pick me up. It had been a wonderful night. Thank you to the parents who decorated the hall, the kitchen staff for the supper, the teachers, Mrs Chambers and Mrs Bayliss who taught us all of the dances and especially the girls for turning up and looking so nice!

Dali Watson-Barry 8GE

### **The School Dance**

Sweat pours all over my body as we wait to greet the girls. Fortunately (or unfortunately) I was one of the last people to be called up so I just went in all alone.

Wow! The hall looked like a whole different place with all of the All Blacks pictures and Mr Lomp with the dreadlocks.

My favourite dance was the quick step even though I got kicked out in the first round. (I reckon it was because my partner was even smaller than me and we didn't get seen) Luckily I got the best practising award and I can't wait for next year!

Harry Young 7NM

### **Thank you**

Thanks to Anna Wright who was the banner artist and creative power-house behind the hall decorations this year. Anna co-ordinated a team of parent helpers who transformed the hall into an All Black shrine and brought the 2011 Rugby World Cup to Hereworth. Thank you to those who lent us flags and banners for the night.

Special thanks to Oderings Garden Centre who loaned us 6 magnificent Punga trees for the evening. They certainly set the scene for a night of All Black and Hereworth Dancing Fever!

# ART PROJECT

Year 7 and 8 boys will be undertaking an art project in term four aimed at continuing the spectacular visual banquet that the Izard Technology Block tile projects offer currently. The purpose of carrying on this theme of tile blocks is two-fold: firstly it creates stunning colour and interest in areas that need vibrancy and detail; secondly it means every boy leaves Hereworth with a special art work that is there for him to enjoy when he visits in the future. I love to see the many parents, visitors and students spending time enjoying and looking at the tiles. The cost for each boy will be \$22.00. We use the materials and expertise of KK Marffy, one of our ex-parents who has 'Paintable Pieces' in St Georges Road.

Anjela Webster.

# THEATRE SPORTS 2011

## Theatre Sports 2011

This is now an eagerly anticipated annual event with competing teams from Years 7 and 8 pitting their talents against a carefully selected staff team!

Representing Year 7 were Campbell Hantler, Zahn Phillip, Charlie Moffett, Kieran Morgan, Dan Nettlingham and Campbell Tait. Representing Year 8 were Louis Daysh, John Callinicos, Samuel Gibson, Hamish Todd, Calvyn Trevathan and Leo Williams.

Mrs Paula Kasper, Mr Ian Scott, Mrs Tracey Kinloch Jones and honorary staff member Matthew Knowles, made up the staff team.

Teams had to participate in three challenges demonstrating improvisational skills in any given situation, a challenge for all competitors. The audience were thoroughly entertained by the antics of all those participating.

Mrs Alison Marshall ably assisted by Head Prefect William Gunson and year 7 representative Brayden Webber, were our judging panel for this auspicious occasion. Having considered the judging criteria, the title of 'Theatre Sports Team 2011' was duly awarded to the Year 8 team, with Hamish Todd walking away with the performer of the day prize. Congratulations to all for your willingness to take a risk and face the challenge of theatre sports!

# WANGANUI RELAY RACE VIRGINIA LAKE

Four runners, 2 kms each over a very fast circuit around the beautiful Virginia Lake located on the northern outskirts of Wanganui. After a very sedate drive to our destination, once again over the famed Saddle Rd for the 3<sup>rd</sup> time in 10 days we arrived in good spirits and full of hope.

A quick walk around the course we planned our strategy for the run, which team member would run in what place and when and where to attack. In theory it was a good plan and as a team the boys ran very well in all four legs of the race. Josh Bayly was our lead off runner and he was back at the change over point after 8 mins 13 secs, a very good time. Unfortunately and such was the competition on the day this time still placed us over 20 secs behind the 3<sup>rd</sup> place runner.

Our next 3 runners all tried valiantly to close the gap on the leaders but this proved very difficult on such a fast circuit. In the end we placed 5<sup>th</sup>, as our team was made up of 1 year 8 boy and 3 year 7's this result was very credible and we should see a much improved result next year.

Leg 1	Josh Bayly	8.13
Leg 2	Logan Stevenson	8.52
Leg 3	Nick Irvine	9.03
Leg 4	Tom Mackisack	8.43

# INTERSCHOOL CROSS COUNTRY

We entered 17 year 4 to year 8 boys into this event to compete against 23 other local schools.

The event took place at the Hastings A & P Show grounds in fantastic weather (beautiful sunshine) with the boys running a distance of 1.5kms up to 2.5kms for the year 7 & 8 boys.

The year 4, 5 and 6 races had 100 plus runners in each race so competition on the day was of an extremely high standard and all the Hereworth runners handled the conditions well. Tim (Y6) and Sam (Y5) Ferguson both had top 10 placing in their races and showed great determination in hold off several strong challengers along the way.

The year 7 boys also performed very well with Tom Mackisack (2<sup>nd</sup>) and Logan Stevenson (3<sup>rd</sup>) being the standout Hereworth athletes on the day.

In the 2.5kms year 8 race all four runners placed in the top 15, a tremendous effort from a very determined and talented group of boys

Results:

Year 4	Sean Lee 47, Liam O'Reilly 48, William Kerr 55, Henry Buck 57
Year 5	Sam Ferguson 6, Jake Twohill 58
Year 6	Tim Ferguson 4, Oliver Horn 15, Brodie Hamilton 38
Year 7	Tom Mackisack 2, Logan Stevenson 3, Henry Mossman 17, Quin Black 29
Year 8	Joshua Bayly 3, Gerard Chesterman 7, Hamish Todd 8, Matthew Knowles 14

### Players of the Tournament

Junior: Jonny Holden (Elder)

Senior: Matthew Knowles (Rickard) and Henry Taylor (Grant)

How things change...last year the Elder senior team lost every game, scored none, conceded ten and finished dead last; Elder also finished last overall. This year the Elder senior team won every game, scored ten, conceded only two and won the senior competition; thus contributing to Elder being the overall House Football champions. In addition to being the best on the field, they were clearly the best off it too – being by far the best organised House i.e teams posted on the noticeboard, plenty of subs in case of absence/unavailability, everyone with the right gear etc. Congratulations Elder: worthy champions.

# FOOD FOR THOUGHT

## **Super Hero Nathaniel Bronner Jr.**

Dr. Marilyn spoke at our staff meeting. She took us through exercises as she worked to get our minds and spirits adjusted to a more positive direction.

"Close your eyes and think back to when you were small. What did you want to be? What were your dreams? What did you want to do? Close your eyes and think back." she instructed.

I closed my eyes and thought back. I remembered what I wanted to be.

Dr. Marilyn then told of her early beginnings as a writer. She told of the articles and the publishing successes that she experienced but so many of them were punctuated by, "I didn't get paid for that."

Her words struck me.

I worked in a corner drug store when I was very small. I was below the age limit to work but the store made an exception. My father owned the store, thus the exception.

I worked long and hard. I treasured my lunch breaks. Not so much for the food or the rest, it was what I did during my lunch breaks that I treasured. I read comic books. I read the action books, not the romance or the comedies, action, pure action.

When I closed my eyes and thought back, I knew instantly what I had aspired to be.

A Super Hero!

Superman, Batman, Spiderman and Ironman were some of my heroes.

In all of the action comics that I read, there were two distinct patterns. Those two patterns were in every action comic book that I can recall.

First, there was always a battle between good and evil. The battle was always tough. The battle was always a close call. No matter how strong or how many powers the Super Hero had, evil pushed him to the very limit and most times almost defeated him.

Second, the Super Hero was never paid for his contribution to society; he always earned his living in his alter ego. Superman made money as Clark Kent, a newspaper reporter.

Batman made money as Bruce Wayne, a rich industrialist.

Spiderman made money as Peter Parker, a photographer.

Ironman made money as Tony Stark, owner of Stark Industries.

None of them were paid for being a Super Hero and the contributions they made as Super Heroes.

As I listened to Dr. Marilyn state how she had never been paid for many things, a light popped on in my mind.

"The real Super Heroes don't get paid for the Super Hero stuff!"

I pastor a church and have never accepted a salary or taken up love offerings for myself. It's correct to be fairly compensated but I, like Paul, simply choose not to.

I am the editor of Mountain Wings and the AirJesus.com websites, and I don't get any money for that either.

I realized as my eyes were closed that it is Super Hero stuff and my dream has been realized.

You've got Super Hero stuff too.

Parenting

Volunteering

Helping a stranger or friend in need

Doing anything beneficial that takes time, effort, energy or resources and where you expect no monetary return is Super Hero stuff.

Use your powers well.
