HEREWORTH
DESIGNED FOR BOYS

Year 1 made 'Daffodils' as part of our Key Competency 'Relating to Others'. This is to acknowledge Daffodil Day.

NEWSLETTER AUGUST 2011

Daffodil Day

Dear Parents, Caregivers and Friends,

One of the highlights of the very busy start to this term has undoubtedly been the success of our choirs at the regional Kids' Sing competition – the only gold award, a silver award, best set piece and the St James' Chapel Choir being named the best overall choir, is a stunning result. Congratulations to Joanne Stevens and her 51 choristers.

Since the last newsletter soon after Term 3 began we have welcomed two new students to the school. Alex Phillips has joined the Year 5 class and Monty Wood has joined 7IS. We hope Alex and Monty enjoy a productive time at Hereworth.

CHOIRS EXCEL AT KIDS' SING COMPETITION

On Wednesday 17th August, the St. James' Chapel Choir and our smaller choir, Les Jeunes Choristes competed in the regional Kids' Sing competition at the Hawkes Bay Opera House. This competition is open to all Hawkes Bay Primary and Intermediate schools. This year 17 choirs entered. Schools competed throughout the day with a final performance in the evening. All choirs had to prepare a set piece – 'Chocolate', by David Hamilton - and also perform two other songs of their choice.

The St. James' Chapel Choir sang 'Don Gato', a Mexican folk song and 'Hallelujah', by Leonard Cohen and arranged by Roger Emerson. Les Jeunes Choristes sang 'May the Road Rise to Meet You' by L'Estrange Forbes and "Windy Nights" by Patterson.

Our choirs achieved excellent results. Les Jeunes Choristes won a silver award and were 2% off a gold!

The St. James' Chapel Choir won 'Best Performance of the Set Piece', the overall winning trophy for best choir and the only gold award given.

Congratulations to our boys for their hard work and commitment. Our special thanks must go to Elizabeth Curtis and Matthew Knowles, our accompanists. Thanks also to our Hereworth parents for their ongoing support.

J. Stevens

ST JAMES' CHAPEL CHOIR TOUR-WAIRARAPA/WELLINGTON

10/11/12 AUGUST 2011

Wednesday 10 August:

Fifty one boys departed from school, following the Southwell School games and headed for Hadlow School, Masterton. The boys were kindly billeted by Hadlow students and their families.

Thursday 11 August:

The Choir performed a concert for the students of Hadlow School, Masterton in their hall, which was well received by everyone, including a band of choir parents who were following the tour. Following morning tea at the school, the choir departed for St Mark's Church School, Wellington.

The afternoon concert in the St Mark's Chapel was in front of the entire school and was certainly an excellent venue to show off the skills of the choir. The boys again were grateful to their billeting families at the host school and enjoyed the night in Wellington.

Friday 12 August:

Despite the poor weather, the boys were in very good spirits for the trip to the Wairarapa. The choir performed for the local community at St Luke's Church, Greytown where a number of grandparents joined the audience to hear the boys sing. We now headed to Masterton for a well deserved lunch break at the local Mc Donalds followed by a swim in the indoor heated pool. The final show for the tour was to the students and staff of Masterton Primary School, who were very excited to see us and enjoyed the singing from the choir.

We headed home after a highly successful tour where the Hereworth boys and staff have spread the spirit of music to these regions.

Well done boys and Ms Stevens and thanks to Mrs Greig for all her help on the trip.

GVS

REGIONAL SCIENCE QUIZ CHALLENGE SUCCESS

As part of the EIT Regional Science Fair a select group of senior boys represented the school in both the Quiz and Technology challenge. Samuel Gibson, Matthew Knowles and Gerard Chesterman did very well placing second overall. This is no mean feat given the number of schools competing – many of them very large intermediate schools as well. Cameron Lee, Campbell Hantler, and Sam Perry-Purchas, our year 7 representatives, acquitted themselves very well placing 5th overall. Both teams are to be congratulated on an excellent effort.

NM

BP TECHNOLOGY CHALLENGE

The annual BP Technology Challenge was held at the Whare at EIT. It is an anticipated event and the boys enjoy the problem solving approach to science.

The challenge : To build a vehicle using cardboard, ping pong balls, straws, wire ice cream sticks and cello tape. It had to roll down a ramp and travel the longest distance.

The team: John Callinicos, Reuben Jones, Louis Daysh, and Nathan Miller.

The approach: Taking time to listen to each other's ideas, the team chose to adopt Louis idea, working together the vehicle was created. During the testing the vehicle ran smoothly and straight. However in the test run it took a distinct turn to the left. This cost the boys their position and they ended fifth overall. We were very proud of the team who were able to work effectively as a team in a very competitive environment.

TKJ

SCIENCE ROADSHOW

Hereworth has been hosting the Science Road show this year giving us the opportunity to showcase science and our school to the wider community.

Some of the top Year 8 science students are involved; explaining the exhibits and assisting visiting students when necessary.

A fantastic opportunity for all Hereworth Year 7 & 8 student to attend.

TKJ

JOHN BADALAMENT VISIT

It was wonderful to see so many parents taking the opportunity to book into the sessions we had with John Badalament last month. John's three sessions were well attended and feedback from each session was very positive. John's messages and activities around engaging and building relationships with boys were very simple, practical and powerful.

HAIRCUTS

Haircuts – as per New Parent Information Booklet in the Green Folder:

Hair must be neat, short and tidy. Ridges, bleached hair or colouring, and No 1 or No 2 clipper cuts are not permitted.

(Short is defined as not hanging down over the ears/eyes, or down past the collar on the neck).

STAFF NEWS

What do we know about **Mr Jonas Lomp** (our new Gap Tutor)

For this month we profile Jonas

Family members (including pets):

Both parents and one little sister (13)

Favourite takeaway food: Extra long chilli cheese burger (Burger King)

Food most disliked: Seafood like crabs, mussels, octopus etc.

Favourite out-of-school activities: Gymnastics, Football, Jonglage

Best book ever read: Artemis Fowl by Eoin Colfer

Favourite singer/band: Eminem

Best movie ever seen: Pirates of the Caribbean

Favourite cartoon character: Batman

Favourite Colour: Dark Red

If you could be anywhere else in the world where would you be and why?

I chose this placement so I want to be here but if I had the choice I would like to be in a space shuttle, just to experience the no gravity feeling

Best advice that you have been given (or quote you could live by)?

Carpe Diem - Enjoy everyday or Seize the day

WWW.HEREWORTH.SCHOOL.NZ

The website changes have been made and the feedback we have had has been extremely positive. If you haven't had a look then do so as all the information you need should be on there. If it isn't let us know, and we will see what we can do.

Follow us on Facebook and Twitter - go to the home page on the website and click the links. Ross sends out regular tweets and it's a great way to get Hereworth news as it happens. Get the latest cancellations, results and news instantly. Make sure you enable twitter to send the updates to your phone as there is a delay on the website. Facebook is also regularly updated and also keeps you up with the play.

WAIRARAPA & TAUPO REGIONAL EVENINGS

We started in Masterton and it was a great success. The "oldest" Old Boy was at school in 1941 and the "newest" Old Boy finished in 2008. Lots of memories were shared and everyone had a good catch up. There were a number of people there wanting to know more about Hereworth which was very positive.

Taupo was next and also a fun evening at the Plateau. We all just squeezed into the room and it was great to see so many Old Boys and also some very young ones. Again some great stories were told and we learnt more about Hereworth of the past. There were a number of families there who were looking at sending their boys to Hereworth so we look forward to seeing them on the roll in the future.

We have learnt from these evenings that people genuinely like to catch up and hear what is happening at Hereworth. We will be organizing more of these regional evenings and look forward to seeing as many past, present and potential supporters of the school as we can.

The next evening will be in Gisborne on October 13th - more details to come but we look forward to seeing as many families as we can.

The Hereworth jungle drums are beating!

FOUNDERS' EVENING

I am sure those of you present at the Founders' Evening enjoyed this function. Les Jeune Choriste sang beautifully and our two Year 8 orators gave entertaining speeches on how being a student at Hereworth will help put them in good stead for their futures. Many thanks to Hamish Whyte, our guest speaker, who gave a very interesting and informative address that was thoroughly enjoyed by everyone. Board Chairman, Tom Hamilton and Foundation Development Manager, Linda Calder, outlined the aims of the Hereworth Foundation and we are thrilled the Foundation has at last been officially launched.

BOYS FOR PRAISE

Boys for Praise

Term 3 Week 1

Class Names

JPK Nathan Elliott, Oscar McDonald
Cooper Dunkerley
2MS Edwin O'Reilly, Tom Vautier

Reason

Wonderful transition into Hereworth school life
A willing and cheerful buddy
Terrific focused effort in embracing maths thinking
Happy positive attitude in all areas in school life
Trying hard to manage & organise himself
Making the U11 Hockey Rep Team
Asked to trial for Hockey
Amazing times table knowledge
A focused beginning to term 3
Returning after holidays without missing a beat – great attitude and effort
For finding humour & sharing appropriately
Excellent focus and enthusiasm for oral language presentations (prepared readings, forensic science work)
Showing enthusiasm to learn new things in the classroom and giving things a go
Adapting very well to change
Excellent plant cell model!
Very positive outlook to all his learning
Great start to term in class work
Setting realistic and challenging goals for himself
Showing some real academic focus
Knowing what real excellence is!!
Fantastic work ethic with class novel, searching & competing together
Positive contribution to class discussions throughout the week
Excellent work in improvisation
Excellent vocalization of thoughts
Great focus in R.I. and around the school
Thank you for taking Chapel today
Showing manners in class
Outstanding skills and progress in Soft Materials – they can handle highways and country roads with 'driving skills'
Enthusiasm and care in initial sketching in Art

HOUSE SPORT

House Sport 2011 - Weeks Six and Seven

Our keenly contested House Sport competitions will be held over the next fortnight and spectators are most welcome. Due to the constraints of Dancing lessons and the Science Road show this year, we have less time available after school so, in order not to abate House sport, we have decided to hold it over two weeks this year. Please see below the schedule for football this week (wk 6). House rugby will follow a similar format in week seven, next Wed/Thurs 14th/15th. Due to the local Hockey competition continuing until the end of term, House hockey will be played at lunchtimes.

House Football 2011 Wed/Thurs 7/8th Sept

Games are 25 min duration, 2x12½ min halves (straight turn around at half-time). There will be a five minute change-over time between games. Winners etc announced at 3.45pm at 1st XI pitch on Thursday 8th.

Junior

Colts Field: Mr Chatfield

Junior Rugby field (front of 1st X1/XV pitches) : Mr Jensen

Wed 7th

3.15 Elder v Grant

Reeve v Rickard

3.45 Elder v Rickard

Grant v Reeve

Thurs 8th

3.15 Elder v Reeve

Grant v Rickard

Senior

1st XI pitch: Mr McCorkell

1st XV pitch : Mr Scott

Wed 7th

3.15 Elder v Grant

Reeve v Rickard

3.45 Elder v Rickard

Grant v Reeve

Thurs 8th

3.15 Elder v Reeve

Grant v Rickard

3 points for a win, 1 point for a draw. Points from senior and junior competitions added together. If Houses are level on points, standings will be decided by goal difference. If still level, by goals scored. If still level, by sudden death penalty shoot out.

Football players must play first. Only if teams cannot genuinely field eleven (nine juniors) football players, may rugby/hockey players be used.

Normal football rules, except no offside unless blatant 'goal-hanging'. Seniors 11-a-side, Juniors 9-a-side. May wear boots or trainers.

HEREWORTH CELEBRITY 20/20 CRICKET MATCH

Hereworth Celebrity 20/20 Cricket Match 2012

Lock in **Friday 24th February** to your diary and come along to the inaugural Hereworth 20/20 Celebrity Cricket Match at the hallowed 1st XI pitch.

Two teams, made up of past cricketing legends, New Zealand celebrities, local cricketing talents, two Hereworth School Boys, and 8 enthusiasts (these eight positions are up for grabs to anyone through a tendering process), will take to the pitch at 2pm.

Mark Greatbatch, Ewen Chatfield, Shane Thomson, Simon Doull, Craig McMillan, Graham Burnett, Marc Ellis, Brendon Pongia and Danny Lee are confirmed and ready to fire!

If you want to be part of this talented line up and believe you are a competent cricketer, then simply fill in the form below with your best offer, before 12 noon on Friday 30th September 2011.

The details: A VIP/Sponsors marquee, seating only 250 and including a scrumptious lunch, beverages, High Tea and a ticket to the After Match Function, will be operating from 12.30pm. The match will finish at approximately 6pm, with an After Match Function held on the grounds. Individual tickets will be available, or secure a table of 10 and enjoy a fabulous day of cricket and merriment in the sunshine with family, friends or colleagues.

General Admission tickets are also obtainable (on the day), including a Tiger Moth Lolly scramble and autograph signing session at 6pm. Bring along your picnic rug and relax on the grass, food and coffee stalls will be operating.

Tickets for just the After Match Function (commencing at 6.15pm) will be on offer, catering by Spoon Cuisine, with players shirts and other items up for Auction.

How can you be involved? There are a number of different ways ...

Be a player – as explained above there are only 4 spots available on each team, anyone can submit a tender with a minimum starting bid of just \$1,500 – a tremendous once in a life time opportunity to play with some of NZ's top sportsmen

Sponsorship tiers are available (Gold, Silver, Bronze or Supporters Club level)

Product Sponsorship opportunities (ie: meat/produce/wine/beer/printing – we believe the Hereworth community must be given these opportunities first to put your products in the lime light - please contact Matt Holden or Linda Calder (details below) to request a sponsorship proposal

Purchase tickets to come along and enjoy the day

This will be an incredibly exciting and fun filled day for the Hawke's Bay community at large and we want everyone to be part of history, so get into gear and book today.

For more information contact Matt Holden matt@kelso.co.nz or Linda Calder linda@hereworth.school.nz or alternatively call the School office: 06 877 8138.

REGISTERING YOUR INTEREST

I/we are interested in being involved in the inaugural Hereworth Celebrity 20/20 Cricket Match.

FYI FACEBOOK USERS

Facebook's changes to privacy and policy settings are in place now. If you or your child has a FB profile please take a tour of all the changes and thread your way around to be fully conversant with the new look and changes. Hopefully it will be as easy as ABC to understand who sees what, and who can share what. It has been a mission to peel back the layers to change settings and somewhat of a marathon to fathom the depths of apps, website sharing, tags, friends, personalization, and many other features available on Facebook.

Google+ has launched its new site for social networking and at this point in time it is limited to 18 Years and over. Google have designed the limitations to attract a different demographic initially, however it is rumoured that it will eventually become a 13 Years and over site.

The new changes to Copyright laws pertaining to illegal downloading of content that belongs to a creator or author is now in place in New Zealand law. The implications for organizations, schools, universities and places where wifi is freely available is important, as well as the personal computer in the home. Please have the needed conversation with your children regarding this law as it could affect you if bit torrent downloads are detected by your Internet provider. At this point in time you would get three written warnings that illegal downloads have taken place. There are a range of consequences with fines and loss of internet possible. If your wireless doesn't have a security lock on it (your IP can step you through putting a password on it), public can freely use your broadband to download but you will be held responsible. It is the owner of the computer that is liable. Check out the details online.

FXWORKSHOP Holiday FILMSCHOOL

Run by Mrs Webster and held at Hereworth School 8.30 - 3 pm - Numbers are limited and applications are taken from Year 7 and 8 students only. Cost \$160.00 3rd, 4th and 5th October. (First three days of Hereworth holidays). This is a fun filled, busy and creative three days making a variety of short films, sharing them at our 'Oscar Awards' and finally owning a copy of all films on a DVD. The boys work collaboratively on projects that are both self-directed, and on the first day, set by me. We look for adventure and fun while having the opportunity to upskill on a variety of programmes on our Apple Macs. Boys are 'on holiday' so, mufti and props, lunches from home (fridge and microwaves supplied!). Spot prizes and Oscar awards all up for grabs. Please forward your name if interested in receiving an application form, to the office. Forms will come out in Week 7 if we have a viable number. (In the past we have had too many and some have had to wait for another course).

Anjela Webster.

SPORTS RESULTS

Junior Football Prep Match Fixture Thursday 1st September

7-6 Victory v Huntley

The closure of the Manawatu Gorge, and the resultant 'long and winding road' detour via the Saddle Road, meant that a few boys' breakfasts were disgorged on the way down. I think it was 2-2 amongst the football and hockey clubs. Rugby stomachs must be made of sterner stuff!

Perhaps the trip down affected us because we were 2-4 down by half-time. In true Hereworth fashion however, we dug deep, decided that we weren't going to die wondering and gave the second half a real go. It was enthralling, end-to-end, attacking, gripping football; with the scoring fluctuating: 1-0, 1-2, 2-2, 2-4, 3-4, 3-5, 7-5, 7-6!

The team were truly magnificent and I've never been prouder of a Hereworth team; especially since, against Huntley's Y6s, we fielded three Y4s, eight Y5s and only one Y6 player.

PG

Huntley Football

1st XI

2-2

The team played very good football against a determined and well drilled Huntley team. Full credit must be given to Josh and his team for following a challenging game plan which produced an acceptable result. The football may not have been the most attractive but given the conditions the strategy worked – well done.

Huntley 2ND XI Hockey Prep match

We lost 5 – 0 to Huntley. Score 4-0 at half time and boys went back in second half with greater determination to defend only allowing 1 goal in during the second half.

AM

Huntley Won 53 - 7

This game is always the big finale for the season. This traditional fixture has always been the battle ground for both schools and for us Huntley is the "yard stick" for our season.

After the loss to Medbury we were keen to finish with a great performance and really show what we had to offer. We had changed the back line to give us a little more attacking strength knowing that this was a good area to attack and that Huntley would be strong in the forwards.

The first ten minutes was a hard hitting opening to the game, no one was backing down. Huntley's forward pack started well and were keen to compete up front. The boys were fired up though and scored three great tries in the first half. Baden Papuni was in great form and our tight forwards set the platform and this allowed Baden and the two Will's to run in the open and set the backs alight for some great tries.

Huntley scored a good team try and I am not sure what Mr Papuni told them under the posts but they certainly didn't let it happen again. Going into half time with the score at 21 - 7 it was still game on. We spoke about commitment at half time and the pattern that we wanted to play and the boys came out firing.

Once the game opened up we put together some great pieces of play and scored tries through the backs which hasn't really happened all year. With Nick Irvine on the wing scoring two and Tavis Graham at second five scoring three. I was, and at the time of writing this am still, on a 'high' about the way the boys performed in this game, it is a true reflection of what they have been capable of all season.

NZ National Junior Club Tournament

Our Hereworth 10th grade team travelled to Taupo on the weekend of the 3/4th Sep to play for Hereworth against the best junior football clubs and the best footballers from all over New Zealand. Over fifty clubs were represented, most of which were the champion club from their region - as indeed our 10th grade team were in Hawkes Bay.

The tournament mirrored similar junior club tournaments in Europe and world-wide and is unique in not accepting sponsorship from fast food companies – instead choosing to align with the 5+ a Day (fruit and vegetables) campaign. Sportsmanship and 'playing the right way' is also considered paramount.

Our first game was a 2-0 win against Ruahine – the Manawatu champions. Our goals were scored by Cosmo Graham, showing great positional play, then Sean Lee striking the ball from deep on the goal line and curling it into the roof of the net. As usual, our boys played as a complete team, displaying the skills and sportsmanship that they have shown all season.

Next up on Saturday were Three Kings United - the largest junior football club in NZ and winners of the Auckland Central Championship. Three Kings have over 2,000 players - the Hereworth Football Club has 100! Likewise, they have one hundred and fifty 10th grade players, whereas we have eleven! (And three of those are actually Year 4s). Finishing in a 0 - 0 stalemate, this match was on a par with the All Whites versus Italy in last year's World Cup. The Hereworth defence was continually battered by the skilled attack from Three Kings yet Liam O'Reilly was resolute in goal, showing plenty of guts for a Y4 boy. He was backed up by incredible covering defence and pure grit by the team. With limited attacking chances for Hereworth, the team dug deep and displayed an incredible amount of persistence and organisation; attacking and defending in units and totally frustrating the Three Kings game plan.

We had by far the more vocal parents on the side line and this was a moral victory for our Hereworth boys, especially since Three Kings had beaten us 9-1 last year. The boys again displayed tremendous spirit and sportsmanship and were exemplary ambassadors for Hereworth.

Due to the fact that Three Kings had only managed a 1-0 win over Ruahine, we were top qualifiers from our group and therefore went into the main Cup competition at the next day's Finals day. Our first game on Sunday was an 8am start - not a normal way to kick off Father's Day! The boys just couldn't recapture the spark from the previous day, yet whilst still fighting manfully, we unfortunately conceded our first goal just before half time. In the second half Onehunga (from Auckland) came out firing and, utilising their greater size advantage, they forced another two goals in. Nonetheless, again, the boys showed remarkable spirit.

Our fourth game of the tournament proved to be our last as we took on the Wellington champions, Onslow, in the semi-final. The first half was evenly poised with some great attacking phases strung together; Cosmo Graham had a well-timed shot at goal that was brilliantly saved by Onslow's goalie. Nil-all at half time, the game was anybody's... both teams came out with plenty of energy and vigour but Onslow managed to put two goals in the back of the net and, try as we might, we just couldn't break down their tireless defence.

This final game was refereed by the same referee who had controlled the first two games. He was extremely complimentary towards the boys on their sportsmanship, spirit and the way they had carried themselves throughout the tournament. This to me sums up the whole season and how this team has played and behaved throughout the winter. Many thanks to: Robin Ferguson: for his terrific coaching and for providing our boys with the opportunity to compete at this tournament.

Matt Holden, Kevin Lee, Kevin Richardson: for match reports, cooking for the boys, being linesmen, transport, help and general care of the boys over the weekend with Robin.

National and International Football Tournaments

A number of our boys are competing at a national level in various football tournaments at the moment – playing against the very best players in New Zealand at their age level:

Medbury Rugby Lost 33 - 5 22 August

This game was always going to be a tough fixture. The boys had been playing good rugby and I was confident we could compete well in this match.

With a few changes with an injury, the boys had trained very well and were looking confident going into the match. Medbury were very well drilled and were a strong side. They started very strongly and had us on the back foot from the first whistle. The boys competed very well and kept trying to break the Medbury defence. We managed to get across the line with a try to Will Gunson through a good drive from the forwards. We had a good amount of ball but at crucial times made errors or were isolated resulting in turnovers which were punished pretty hard by Medbury.

All of the boys worked very hard throughout the game but we eventually came off second best 33 - 5. This was a very strong outfit and it was an impressive game of rugby to watch.

I was very proud of the boys throughout and we often talk about performance rather than result; even though the result was not in our favour the boys had worked hard throughout the match and should be proud of their efforts.

SP Chatfield.

Hereworth Junior XV 26 Huntley Junior XV 15

Tries: Ethan Snow-Smith 2, Brodie Hamilton, Ben Kelt

Conversions: Ben Kelt 3

An excellent team display, especially after being down 10 nil within the first minutes of the game. Many thanks to the rugby

parents who made the trip across to Marton to support the boys.

GVS

New Leagues Starting in Term 4 – HB Futsal

If any boys are interested in forming their own Futsal team for Term 4 please read the following information from HB Futsal – then go to their website and fill in the team registration sheet. Games are a quick ½ hr each week, lots of fun for the boys and great skills development.

Registrations are now open for new leagues beginning in Term 4. All games will be played on Tuesdays at Pettigrew Green Arena, Taradale, beginning Tuesday October 25. The league will run for seven successive weeks, with finals night on Tuesday December 6.

Approximate times for games

4.15pm JUNIOR

5.30pm INTERMEDIATE

To register your team go to www.hbfutsal.co.nz

Please note: we anticipate that places will fill quickly. Last year we had a waiting list in most grades, so please register as early as possible to avoid disappointment.

CHESS

Chess Club

Chess on Wed.24th August 2011

Club Championship catchup games or if you have played all your games you have the choice of practise or rating games. Ask your opponent if they agree to a rating game and if they do, remember to enter the result into Chris's Red Book.

Always play catchup games first. If you need phone numbers ring me[as below] or Chris at **8774583**.

We have two definite dates for the rest of the year.

Friday the 9th September for The HB Schools Regional Teams Chess Tournament.

Friday the 4th November for The HB Primary and Intermediate Schools Chess Tournament.

Both events will be held at the Hastings Sports Centre.

We need adult helpers from our club to make these events work, so if you can be there it would be greatly appreciated.

We have challenged the Napier chess players to play for the Pete's Bishop Trophy. Home and away...

Napier prefer to play their leg on a Sunday and we choose a Wednesday evening for our turn as hosts.

Negotiations are in progress.

Congratulations to Justin Reichs who became the **B Grade Champion** last week. Well done.

Stewart **8798 078**

HEREWORTH VEGE PATCH

Hereworth Vege Patch.

For the last two weeks at school on Tuesdays a group of us have been working in the garden. In the garden club there is William Ebbett, Charlie McPhail, Freddy Kittow, Jonty Scoular, Quin Black, Angus Polis, Campbell Tait and Humphrey Sheild plus the odd helper. We have been weeding in all of the three gardens. It wasn't as easy getting the ones right next to the plants but we got faster and faster as time went on. We have been planting vegetables like lettuce, broccoli, purple sprouting, broccoli, carrots, cauliflower, leaks and cabbage and we are looking to plant peas, corn and potatoes. At the moment we are making a chicken coop out of an old trailer that wasn't going to be used anymore but we have found a home for it. We are doing it with Mr.Burnstone. We are going to sell the eggs if anyone would like to buy them. We are all so looking to catch a swarm of bees and sell honey to the school kitchen and to parents if they are interested, but that won't be until sometime in spring. Looking for some followers so stay close and see the changes!!!

ESOL TEACHER

ESOL Teacher

Do we have any ESOL teachers within the school community?

We have an international student next year who will be needing ESOL lessons from term one onwards....

Please let Lisa in the office know if you are interested, or you know of any ESOL teachers in the area.
Thank you.

PARENTS' ASSOCIATION NEWS

Hereworth Gala - A French Affair 4th March 2012

Many classes/year groups are well under way with organising their stalls for the Gala. We are keen to share this Gala amongst us all, therefore please feel free to let us know where your strengths / donations / time is best suited for you.

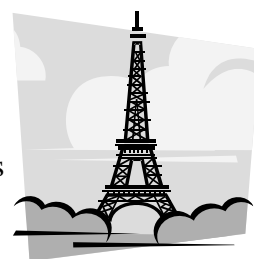

We have already had generous offers of cube rolls, preserves & produce, which is a great start.

Please feel free to contact us with any donations or pledges from now on so that we can continue to gather momentum. Anything from stall holders you may know who would like to join us on the day, to gorgeous,

glamorous clothing you no longer wear, to marmalade to seeds & plants, Auction items or cash to purchase our lambs. We'll happily accept them all.

I appreciate that the Gala is over 6 months away, however if we all start stashing items now and mention this to friends, family & work colleagues, we can ensure a great Gala & maximum success for the school.

Thank you in advance for your support

YEAR 7 & 8 SCHOOL DANCE

Boys who would like to invite sisters and friends to the school dance on Friday 23rd September, please phone Weslie Bayliss on 876 0595 so she can send you out an invitation for Year 7 & 8 girls.

Decorating

Keeping up with the World Cup celebrations in Hawke's Bay we are going with this theme for decorating the hall for our dance. Anyone who has props to fit the occasion with the All Black theme please contact Anna Wright 06 877-7119 027 333 3109.

If you can help set up the hall on Friday 23rd September please let Anna know. Thank you.

SOLUTION TO LAST MONTH'S TEASER

Always Old, Sometimes New

Riddles are little poems or phrases that pose a question that needs answering. Riddles frequently rhyme, but this is not a requirement.

Always old, sometimes new. Never sad, sometimes blue. Never empty, sometimes full. Never pushing, always pulling.

What am I?

Solution

The moon

THIS MONTH'S TEASER

Fun with Division

Trick brain teasers appear difficult at first, but they have a trick that makes them really easy.

What is half of 8,
yet isn't 2 x 2,
0 also isn't
what I'm looking for from you.

Solution next month

FOOD FOR THOUGHT

The Wise Sage

Author Unknown

There once was a wise sage who wandered the countryside. One day, as he passed near a village, he was approached by a woman who told him of a sick child nearby. She beseeched him to help this child.

So the sage came to the village, and a crowd gathered around him, for such a man was a rare sight. One woman brought the sick child to him, and he said a prayer over her.

"Do you really think your prayer will help her, when medicine has failed?" yelled a man from the crowd.
"You know nothing of such things! You are a stupid fool!" said the sage to the man.

The man became very angry with these words and his face grew hot and red. He was about to say something, or perhaps strike out, when the sage walked over to him and said: "If one word has such power as to make you so angry and hot, may not another have the power to heal?"

And thus, the sage healed two people that day.

"Language does have the power to change reality. Therefore, treat your words as the mighty instruments they are - to heal, to bring into being, to nurture, to cherish, to bless, to forgive."
